ITEM # atsavp

The Amplified Voice Dialer Big Button Phone is a landline phone that enables you to speak the name of any of the 45 stored contacts and the phone will dial the number and call automatically.

The Amplified Voice Dialer Big Button Phone will also allow you to speak the digits of phone numbers that you want to dial!

Dialing numbers during a call (us and UK versions only) You can activate dialing during a call to transmit DTMF tones needed for banking services, calling cards, etc. Example: You wish to access your account status using your bank's automatic telephone service. You can store your bank's telephone number under the name "bank", your account number under the name "account", and your pin code under the name "pin".
