Replace all your remotes with one convenient unit with the MONSTER Sized Universal TV Remote Control. It allows you to manage up to eight separate devices for optimum convenience, while its jumbo size prevents you from misplacing the remote again. Remote controls on the market today are just too small!

How many times have you had to hunt everywhere for it.

Here's a big remote control that is ready to help.

At nearly 11-inches long and almost 4-inches wide, this remote control can be helpful to those that have low vision and practical at the same time.

Nice large rubber buttons with easy to read print can be quite helpful.

And, yes, this is a real working remote control!

Use it to operate most brands of TVs, VCRs, cable boxes, satellite dishes, and DVD players.

- Manages up to eight separate devices
- Compatible with most major brands of AV components
- Code search button discovers device codes automatically
- Programmable power OFF timer
- Extra-large soft-touch buttons for easy navigation
- Jumbo-sized -- never misplace your remote control again
- Requires two AA batteries (not included)
