#### ITEM # ats6bur

The Simple 6 Button Universal Remote Control has only 6 buttons exposed. These 6 buttons are your basic use buttons used to control the main functions of your: TV

cable box

or satellite converter box.

Two Unit Universal Remote allows you to control your T.V. and another unit with one remote.

T.V. and DTV box

T.V. and Cable Box

T.V. and Satellite Converter box.

It has only 6 visible buttons including:

- Power
- Channel Up
- Volume Up
- Mute
- Channel Down
- Volume Down

**Seniors**: They will truly enjoy the simple way this operates, with just a few big buttons.

Helpful: The 30 channel 'favorites' scrolling makes getting to the channels you use most very easy and simple.

Parents: With the lockout function, neither kids nor visitors can accidentally reprogram the remote.

Features:

- Programming mode 'lock' features can stop accidental change of remote channel codes.
- Easy scroll through up to 30 FAVORITE CHANNELS by using the Channel Up and Down buttons (optional).
- Brightly colored buttons help distinguish functions at a glance.
- BLUE for CHANNELS
- ORANGE for VOLUME
- GREEN for POWER

Other buttons used for programming and less commonly used functions are neatly hidden (behind a sliding panel) so you don't see them or even have to worry about them in normal use
