

Talking Digital Blood Pressure Monitor

*A talking blood pressure cuff
perfect for those with vision
difficulties*

**Factory New with
Lifetime Manufacturer Warranty**

Catalog # ats416bpc Price: \$149.91

The Talking Blood Pressure Monitor is perfect for those who need to stay on top of their blood pressure.

Easy to use in your own home -- no need to visit the doctor to know your blood pressure.

You Can *HEAR* and *SEE* the results each time you check your blood pressure.

At the touch of a button, the cuff is automatically inflated. After the test is complete you will clearly HEAR and SEE the pulse and blood pressure results.

The system will shut off automatically after announcing the results 4 times. Press the 'start' button to stop the announcements at any time.

Do you want to hear the results in private? A headphone jack is included (headphones are not included).

Medium size cuff *included* (fits arm size from 7.5" to 12.2")

Additional cuffs sizes are also available:

•Large (DL6304): 11.8" to 17.7" \$34.16 •Small (DL6305): 5.1" to 7.9" \$22.57

Measure the largest part of your arm to determine which size you will need.
