Play the recording as many times as you need to.  
Change the recording as often as you like or for new medications.

Ideal for people with low vision or hearing impairments, for people for whom English is a second language or people who have trouble reading.

Size:  
Holder has a 1 1/8 " opening that holds standard 13 or 16-dram prescription bottles. If your current bottle is too big, you can put a portion in an empty bottle of the right size.

The holder has a loud 80-85 decibels playback.

It's also waterproof!

How to use it:

Record your prescription information into the Talking Pill Bottle Holder.

Push the small red button to hear the instructions.

If you cannot push the button, roll it on the table and the message will play.

Pill Bottle not included.
