## **English Only Version:**

The Talking Bathroom Scale is so easy to use. Everyone should have one.

Weigh yourself without assistance or embarrassment.

To start the scale just gently tap the scale and it will wake up and say "Hello" to you. Isn't that a great way to start things off and to know its working?

Then the scale will speak to you and say it is "Ready".

Then simply step on the scale and it will speak your weight in a loud female voice.

-----  
There is also a large LED display to show the weight.

The scale has a 330 pound capacity.

The weight announcement can easily be switched between pounds and kilograms.

This scale is a **MUST HAVE** for those that have trouble seeing a scale.

With a built in curved area you can feel where to stand. How much easier and convenient could this be?

## **English, Spanish and French Language Version:**

This personal weight scale can speak your results in English, Spanish, or French and can measure in either pounds or kilograms. The scale, with instant-on capabilities, is accurate up to 330 pounds and has a 1" LCD visual display.
