

# Telephone Handset Amplifier

*Hear what you have been straining to hear. How could you miss a word when this amplifier can amplify the volume up to 100 times!*

Portable and easy to install. Just plug it into your handset.

**Handset amplifier:** This small portable device featuring Clarity® Power™ Technology that makes calls not only louder, but also clearer and easier to understand. The amplifier amplifies incoming sounds by up to 25 decibels.

**Compatibility:** The Telephone Amplifier is designed for use with corded telephones that have a handset separate from the telephone base. The dial pad must be located on the telephone base.

Item # ATS4371dl

## Features:

Boost button which maximizes amplification while blocking out feedback and background noise.

Volume control.

Tone selector for amplifying specific frequencies.

The Handset Amplifier is compact and portable. You can take it with you when you travel or visit!

## Specifications:

**Special Notes** If the volume decreases or you hear a beep, it is time to replace the battery.

Dimensions 4" L x 2½" W x 1" H.

Product Weight 4 oz.

Warranty Limited One Year Manufacturer Warranty.

Batteries/Electric 9V Battery (included).

Compatibility (other devices) Not compatible with cordless phones or phones that already have built-in amplification capabilities. (The additional amplification is canceled to prevent potential ear damage.)

This product was designed for residential phones and is not compatible with most office phones.
