Other Great Features and Uses:

A great way to call for assistance from a caregiver. Just press the doorbell button when you need to contact someone for assistance.

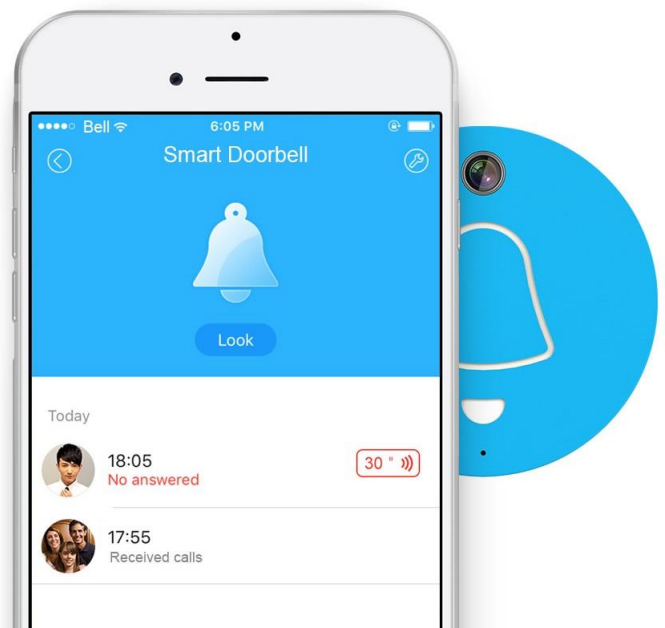

Keep an eye on your belongings when you are away. Just place the doorbell in a location where you want to monitor a door, a location or an item. From your smartphone App, you can view and hear what is going on.

Keep an eye on your pet while you are away. Place the doorbell in a location where you can see your pet. Access the App on your smartphone and view and hear what is going on with your pet.

The **NEW** WIFI Smart doorbell. Answer your doorbell from your smartphone. **A great security device. Anyone ringing your doorbell will think you are home even when you are away.**

How Does the WIFI Doorbell Work?

When the doorbell is pressed it will simultaneously ring the inside ringer and any smartphone that is connected. From the smartphone, you can view and hear the person at the door. You can then optionally speak to them.

Also includes an inside battery powered ringer so you can hear the doorbell ring.

Inside doorbell uses 2 AA batteries. Has a magnetic back so you can stick it on any metal surface such as a refrigerator. It is also wall mountable. Size 3x3 by 1 inch thick.
