

■ Protect What Keeps You Connected

The ATS Equipment Protection Program

Accidents happen — we've got you covered.

Our Equipment Protection Program goes beyond the manufacturer's warranty to keep your equipment working and your mind at ease. Whether it's a power surge, a drop, or normal wear and tear, we'll make sure you're never left without help.

■ ■ Why Customers Love It

1 ■ ■ Extended Peace of Mind

Covers your product long after the factory warranty ends — no hidden costs or guesswork.

2 ■ ■ Fast, Priority Service

Repairs and replacements are always put at the top of the line for quick turnaround.

3 ■ ■ Free Shipping Both Ways

We send you a prepaid label — you pay nothing to send your item in.

4 ■ ■ Accidental Damage & Surge Protection

If it drops, cracks, or gets hit by lightning — you're still protected.

5 ■ ■ Battery Replacement Included

If your product came with a battery, we'll replace it when it wears out — no extra cost.

■ Even More Ways You're Protected

- Unlimited parts & labor coverage on all approved repairs
- Like-new replacements if we can't repair your product
- Flexible coverage: one full claim every 12 months, extra claims at half price
- No OEM part worries: we'll use high-quality equivalent parts if originals aren't available

♥ ■ Simple, Hassle-Free, and Worry-Free

When life happens, we make it right — fast, fair, and friendly.

Because your safety, comfort, and independence matter to us.
