

Only
\$29.⁹⁹/mo.

The ONLY 24/7 Professionally Monitored Medical Alert System that completely covers you INSIDE, OUTSIDE, UPSTAIRS, DOWNSTAIRS, in your YARD and at your NEIGHBORS.

NO CONTRACT - CANCEL ANYTIME

What is So Special About this?

You can TALK through the panic button, SHOWER with it, CALL for HELP with it, and ANSWER incoming phone calls with it. You can't do this with other systems!

Why is this So important?

If you are in your back yard, down stairs or in another room and you need help with those other systems you have to yell across the house. If you are outside you are out of luck. With this system you can Talk to help right through the panic button and they will know exactly where you are and what you need.

600 Foot Range (2 football fields of coverage)- Water Resistant Pendant

Two Way Pendant Communicator Talk Right Through The Pendant Just Like Using A Cordless Phone

ADD MORE PENDANTS OR PORTABLE COMMUNICATORS:

Special Price Only \$99.99 with FREE PRIORITY Shipping - SAVE OVER \$30.00.

How does it work?

When you press the button on the pendant or the portable communicator the Touch N' Talk 24/7 system will turn on the hands free **two-way pendant** panic button and then call our 24/7 Care Line. When someone answers the call **you can speak** back and forth as long as you want to, totally hands free **right through the pendant or portable communicator**.

What is So Special About this?

You can TALK through the panic button, SHOWER with it, CALL for HELP with it, and ANSWER incoming phone calls with it. You can't do this with other systems!

Why is this So important?

If you are in your back yard, down stairs or in another room and you need help with those other systems you have to yell across the house. If you are outside you are out of luck. With this system you can Talk to help right through the panic button and they will know exactly where you are and what you need.

Optional Nightstand/Wall Portable Communicator:

This Optional Two-Way Voice Communicator can be mounted on a wall, placed on a counter top or night stand. Press the Red Button to activate the dialing and communicate two-way through the built in speakerphone in the communicator. You can even **Answer Incoming Phone Calls** by pressing the red button. The unit is water resistant so it can be mounted in a shower. This communicator runs on 4 standard AAA batteries and can operate in standby mode for over a year without changing batteries.
