NO MONTHLY FEE - NO MONTHLY BILLS EVER - 600 FOOT RANGE

The 911 Guardian Phone enables you to call "911" in an emergency situation, (accident, fall, illness, or danger) and speak directly to the emergency 911 operator without needing to be near a phone.

The 911 Guardian Phone requires no monthly subscription, no service fees, and no contracts as it works on any standard phone line with 911 service. Be sure to consider a Battery Backup unit below for operation during a power outage.

Detailed Description

Talk directly to a 911 emergency operator at the push of a button.

911 Guardian Phone™ requires no monthly subscription or service fee.

911 Guardian Phone works just like a cordless phone on any standard phone line with 911 service and tone dialing.

911 Guardian Phone can be comfortably worn around the neck, clipped on a belt, or carried in a pocket at all times.

To avoid accidental activation, the activation button is recessed and must be depressed for a minimum of 1/2 second to turn the phone on. Great for babysitters, woodworkers, singles and senior citizens.

Features:

No monitoring fees, no services charges, and no contracts ever.

Pendant is splash resistant.

System test and battery test functions

Voice confirmations during dialing, shutdown, system test, and battery test.

Included duplex jack allows a second phone to be used on the same phone outlet.

Easy Installation:

Connect base station to any phone outlet and electrical outlet in your home.

Install included AAA alkaline battery into pendant.

How the 911 Guardian Phone Works:

In an emergency, press the activation button on the 911 Guardian Phone. **The pendant immediately calls 911.** Within seconds, you speak directly with the 911 operator through the 911 Guardian Phone.

No charging necessary. Replaceable AAA alkaline battery (included) in the pendant lasts up to 1 year in standby or for up to 30 minutes of talk time.
